Re: Expert legal audit on the (Indirect) ownership of shares of WLTH Corp. in Synchron, Inc.

I have written this legal audit (“LA”) upon a request of WLTH Corp. (“WLTH”) regarding its indirect economic interest in Synchron, Inc. (“Synchron”) through ownership of Augment Collective, LLC Series Synchron 1 (the “Series”), a Delaware Series Limited Liability Company. The anticipated conclusion here is that, as of this date, following my review and subject to the stated assumptions and relevant legal considerations, I confirm that WLTH legally and beneficially owns 1,180 Interests in the Series. This ownership corresponds to 1,180 shares of Synchron, as each individual Interest shall represent, and be directly tied to, one share in the Portfolio Company (i.e., Synchron). Consequently, through this mediated ownership chain via the Series Interests, WLTH holds an indirect economic interest corresponding to 1,180 shares of Synchron as of today.

I am an EU-qualified lawyer with deep expertise in blockchain technology and digital assets. Since 2020, I have advised a diverse range of DeFi and blockchain organizations, including DAOs, incorporated in various jurisdictions such as the USA, EU, Panama, Cayman Islands, BVI, and the RMI. My areas of focus include regulatory compliance, DeFi contracts, SAFEs, SAFTs, investment contracts, company formation, IP matters, and cybersecurity litigation.

The ownership structure in question involves WLTH’s subscription for Interests in the Series. The Series’ sole investment will consist of shares of Synchron acquired by investing in a passive investment in an underlying special purpose vehicle (the “Underlying SPV”) that will significantly invest all of its capital in Synchron.

I. Scope of Review

In rendering the opinions set forth herein, we have examined and relied upon originals or copies, certified or otherwise identified to our satisfaction, of the following documents (collectively, the "Reviewed Documents") which are listed below.

1. **Augment Collective, LLC Series Synchron 1 - Subscription Agreement - WLTH CORP (Executed).pdf:** this executed agreement confirms WLTH's subscription for 1,180 Interests in Augment Collective, LLC Series Synchron 1, and includes the applicable purchase price per Interest and related fees (redacted in this public version). The document also specifies that the Portfolio Company is Synchron, Inc., that the Series' underlying assets are up to 27,250 shares of the Portfolio Company, and that "each individual Interest shall represent, and be directly tied to, one share in the Portfolio Company."
2. **Augment Collective, LLC Series Synchron 1 - Transaction Confirmation - WLTH CORP.pdf:** this document constitutes the Transaction Confirmation from Augment Capital, LLC to WLTH CORP, confirming the purchase of 1,180 units of Augment Collective, LLC Series Synchron 1 and confirming the applicable pricing and fees (redacted in this public version). The Transaction Confirmation indicates a transaction date of December 22, 2025.

II. Assumptions

In our examination and for the purpose of this legal audit, we have assumed, without independent investigation or verification:

(a) The authenticity and completeness of all signatures on all documents submitted to us. (b) The genuineness of all documents submitted to us as originals, and the conformity to the originals of all documents submitted to us as copies. (c) The legal capacity, power, and authority of all parties (other than WLTH) to execute and deliver all documents. (d) The accuracy and completeness of all factual representations and warranties made in the other Reviewed Documents. (e) That the registers and records relevant to the Interests and the corresponding linkage to the Portfolio Company shares are accurate and have been properly maintained in accordance with the laws of their respective jurisdictions.

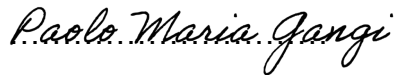

III. Opinion

As of this date, following our review and subject to the stated assumptions and relevant legal considerations, we confirm that WLTH legally and beneficially owns 1,180 Interests in Augment Collective, LLC Series Synchron 1. This ownership corresponds to 1,180 shares of Synchron, as each individual Interest shall represent, and be directly tied to, one share in the Portfolio Company (i.e., Synchron). Consequently, through this mediated ownership chain via the Series Interests, WLTH is the rightful owner of 1,180 shares in Synchron as of today.

IV. Qualifications and Limitations

This audit is limited to the matters expressly stated herein, and no opinion is implied or may be inferred beyond the matters expressly stated. The opinions expressed herein are based on the facts and law as they exist on the date of this letter. We assume no obligation to update or supplement this legal audit to reflect any facts or circumstances that may hereafter come to our attention or any changes in the law that may hereafter occur.
